Excel Guru I: Advanced Formulas & Functions

Start Date: 11/17/2025 10:30 AM

End Date: 11/17/2025 10:30 AM

This power-packedcourse will teach you the most common, powerful functions that pros use everyday to make their spreadsheets easier to use and more functional. Learn how to use important functions such as IF, VLOOKUP, SUMIFS, and many more. Find out how to use Text and Date functions within your spreadsheets, and discover the marvel that FlashFill offers for managing text. This is the class that separates the kids from the adults when it comes to Excel. You must have at least intermediate skills in Excel to take
